## KS2 Online Safety Charter

**SAFE** — Keep safe by being careful not to give out personal information. This could be your email address, phone number or passwords

**TELL** — If someone or something upsets you online or makes you feel uncomfortable, tell your parents, or a teacher.

**ACCEPTING** — Do not accept pop-ups, emails, downloads, messages or files from people you don't know or trust. It can lead to problems — they may contain viruses or nasty messages.

**RELIABLE** — not everything and everyone online are who or what they say they are.
