

Tasks to support learning – Were the Dark Ages Dark?

Below are some activities to do with an adult at home. We would like you to **choose 2** of them and bring them in to school to share by Friday 11th February (or before if completed). **Choose one activity from the 'A' section (written work) and one from the 'B' section (art work).** If you need anything to help you to complete the tasks you choose, ask an adult from Year 4. Have fun!
